\$1.00 Buys An Extra Suit or Coat

Read very word of the statement so there will be no misunderstanding as to how you can buy an EXTRA SUIT OR COAT for only one dollar tomorrow. Select a suit or coat, formerly \$20 and \$25, pay \$14.75 for it, then you have the privilege of selecting another suit or coat that was formerly \$20 and \$25, for which you only pay \$1.00. In other words, first you buy a suit or coat worth \$20 and \$25 and pay \$14.75 for it, then the other garment may be had for \$1, making the total sum \$15.75. You get two garments, total value of which is \$40 and \$50.

Important

In case you do not want a suit or coat you can select two suits or two coats, or you can bring a friend for which you pay \$15.75 for two garments and split the price between you.
